Order:- No. Rc. 311-12 / Rev. Fin. 211-'03 dy 18-7-'04

In his three monthly allowance bills for the months of February and March 1904 the Superintendent, Amrut Mahal Department charged Rs. 21-8-0 and 13-12-0 respectively

by rail and the Commissioner reviewed the bills inviting attention to the order of Govt. read above laying down that Officers when making ordinary journeys on tour ~~would~~ core not entitled in addition to drawing Travelling allowance, to convey their horse and carriage at Govt. expense. The Superintendent represents that at times he has to go in one direction from Bangalore to Kolalkere or ~~some~~ other place having railway connection, that if he is not allowed to take conveyance by rail with him the facility of making rapid marches is not possible, that consequently he would not be able to pay surprise visits to different places either with a view to satisfy that Kavals are preserved properly or Govt. cattle grazed in Kavals containing good grass, that there are many important Kavals in Chitaldrug District to visit which he has to take by rail both carriage and horse to Kolalkere or some other station and that if he is not allowed to ~~take both of them by rail he~~ and would be obliged to make unnecessary halts entailing additional cost to Govt.

joint general Swimming Bath both carriage and horse be paid when going on inspection duty - The Sanitary Assistant also considers that the Superintendent should be entitled to the same means of conveyance with him at all times.

Under the circumstances Govt. are pleased to permit the Superintendent, Naval Medical Depart. to take a carriage and a horse be paid when going on inspection duty on the understanding that he should always conform to the Spirit of the Standing orders on this point.
